

Allen W. Dulles

13 February 1952

Dear Gordon:

I was delighted to get the notice of your meeting with the Council on Foreign Relations for February 19. As you probably know, the Council is one of my closest interests and I was President of it until I came down here, but as Director and Vice-Chairman of the Board, on leave, I still spend a good deal of time on its work.

To my great regret, I shall not be able to be in New York on the 19th as I am taking a brief holiday but look forward to seeing you upon my return on the 25th, as I particularly want to follow up the matter we discussed when you and Gordon Gray and I were together.

Faithfully yours,

Hon. Gordon Dean  
Chairman, U. S. Atomic Energy Comm.  
1901 Constitution Avenue, N.W.
